How I can help our clients

I can provide personal financial advice in the following areas:

- Superannuation
- Pre and Post Retirement Planning
- Wealth Creation
- Investment and Tax-Effective Strategies
- Personal Insurance
- Income Protection
- Aged Care

Experience

I have over 25 years experience in the finance and banking sector, including over 20 years as a licensed financial adviser.

Before founding FinNest Financial, I was a senior financial adviser with iconic Queensland financial planning firm Whittaker Macnaught for the preceding ten years.

Qualifications

I have achieved the designation of a Certified Financial Planner™ and hold a Bachelor of Business from QUT.

Additional Information

I'm a passionate believer that the right financial advice, tailored to your individual needs, can make a real and positive difference to almost anybody's financial position. I have a special affinity with people who are looking to grow and protect their wealth. I specialise in devising and supporting financial strategies pertaining to wealth accumulation, wealth protection, pre retirement and post retirement.
